

## What's What in Sports All the Time

### SEVERAL SURPRISES AT JUNCTION CITY RACING

Two Heavily Played Horses Make Good—Jockey Suspended for Rough Work.

(Special to The Herald-Republican.)  
Ogden, Nov. 3.—George Robethan's Halton was the one good thing at the fair grounds today and he galloped home a winner over a field of eleven in a manly manner that showed he had speed and today was the day it was used. Sam Barber was liked by the wise contingent, but the Warren horse was unable to get in his stride until too late in the game. Big fields again marked the day's sport, but with a heavy track the time was slow. The crowd was fully up to the standard and the three books did a good business. Father Royal made his first appearance under the colors of his new owner, George Swain, and with Jarrett up won the third race all the way. The horse opened a favorite, but there were some who thought he would be unable to beat Cardinal Sarto at the distance, and the latter went to the post favorite. As the barrier flew up, Sarto wheeled in his tracks and was left standing still in spite of the efforts of Jockey Nelson to take after the flying field. Little Buttercup was also away bad.

The fourth race brought out the class of the day, and Gresham proved the best of a field of six classy horses. Jack Paine opened favorite, but backed down in favor of Gresham and Beauman. The latter showed he was the best of the others, but too slow to beat Gresham with the winner away winging.

Judge Blum announced yesterday that Jockey Menders had been suspended for the rest of the meeting on account of his rough riding Tuesday, when he interfered with Kerry.

### ANTI-BETTING LAW IS REASON FOR NO RACES

New York, Nov. 3.—To the hardships inflicted upon the successful conduct of horse racing by the enforcement of anti-betting laws is ascribed the action taken today by the managers of the Empire City Jockey club in calling off the seven-day fall meeting, which was to have begun at the Yankers track next week.

Matt Winn, manager of the Empire City track, gave no reason for the cancellation, but sporting men attributed his action to the fact that most tracks have had a hard struggle this year, which increased as the season grew older. The Aqueduct meeting is due to end Nov. 8, but it is possible that the management will accept the Empire City dates and thus prolong the sport in the metropolitan district until Nov. 15.

**BARBAROUS GAME.**  
Philadelphia, Nov. 3.—Football is barbarous and ought to be abolished, said Archbishop Ryan of this city today. "Instead, they should play association football. It is the kind we played when I was at college, where the players kick the ball and not each other."

Archbishop Ryan's comment was brought out by the death of Michael Burke, a student at the Medical-Chirurgical college, who suffered fatal injuries in game last Saturday.

## OLD SCHOOL FIGHT TO MEET SATURDAY

### DENVER U-GODDEN GAME PROMISES BIG STRUGGLE

Denver, Nov. 3.—Football interest for Colorado centers in the Denver university-Golden Miners game to be played Saturday on the university campus. Despite the fact that the local school is a strong favorite, the victory of the Miners over the strong University of Utah eleven has won many backers for the Golden eleven.

With a heavy line and back field and toptouch form in the use of the forward pass and new football plays, the university will put up a game intensely interesting from the standpoint of the spectators.

While outweighing Golden it is a question whether or not the local school has the better line. The snappy backfield of the Miners is also counted on to do effective work.

The contest is regarded as pluck and luck for the Miners against the beef and experience of the university. Advance sale of seats has been large and one of the largest and most enthusiastic crowds of the year is assured.

### ELIGIBILITY SQUABBLE SETTLED FOR BIG GAME

Great interest is seen at the university in the coming game of football Friday afternoon between the university seniors and members of the faculty. Monday afternoon at a meeting of the representatives of the two teams Harold Robinson, a student and an assistant in physiological chemistry, was declared ineligible for the faculty team. At a meeting between Manager Harry Alley of the senior team and Coach Joe Madsen of the faculty team Tuesday afternoon it was decided that Robinson could play with the faculty providing Dr. Ebaugh, Professor Benjamin Robinson, a student and an assistant in physiological chemistry, was declared ineligible for the faculty team. This was agreed upon so that at the game on Friday Robinson will be found with the faculty team and the professors will be ruled out.

### AQUEDUCT RESULTS.

Aqueduct, N. Y., Nov. 3.—Pretend, skilfully handled by Dugan today, won the Creedmore selling stakes in a hard drive. Though his mount was sluggish in the early part of the race, Dugan never made a move on him until well inside the final furlong pole, when he put Pretend under the whip and gradually overhauled Dugan near the wire and won by half a length.

First race, mile and a sixteenth—Lead of Langdon, 6 to 5, won; Quantico, 4 to 5, second; Castletown, 100 to 1, third. Time, 1:48 2-5.

Second race, six and a half furlongs—Prince Imperial, 6 to 5, won; Galley Slave, 9 to 1, second; Anavri, 30 to 1, third. Time, 1:21 3-5.

Third race, mile—Twilight Queen, 4 to 5, won; Jeanne d'Arc, 3 to 1, second; Marguerite, 6 to 5, third. Time, 1:41 3-5.

Fourth race, six and a half furlongs—Pretend, 6 to 5, won; Dugan, 2 to 1, second; Charlie Hargrave, 6 to 5, third. Time, 1:21 1-5.

Fifth race, six furlongs—Hoffman, 6 to 1, won; Harrison, 3 to 5, second; Rose Queen, 7 to 5, third. Time, 1:12 2-5.

Sixth race, one mile—Tubal, 7 to 5, won; Banbury, 4 to 1, second; Kings Hill, 10 to 1, third. Time, 1:43.

Finding it without the help of the Want ads, takes too long!

## SOMETHING SOFT AT LAST FOR PUEBLO JIM FLYNN

Jim Flynn has an easy one at last. From time immemorial the Pueblo fireman has been matched with men from fifty pounds heavier than himself and has always had to go it uphill strong. But now there comes something soft from a pug who has not much of a championship record and one who is no heavier than Jim. It is "Mexican Pete" Everett, whose backer, John O'Neil, of the Pueblo Chieftain as a side bet. Better than that, O'Neil says that he will go up to \$5,000 on an even money basis. The only conditions are that the winner must take all.

The Los Angeles Examiner, to the sporting editor of which the challenge was sent, says:

"This being the case, the fact that an easy match is within his grasp will probably all but strangle Flynn with surprise. The following telegram was received at this desk last night: 'Pueblo, Colo., Nov. 1.—Sporting Editor Los Angeles Examiner—John O'Neil tonight deposited with me \$500 in cash to go as a side bet that Mexican Pete Everett can whip Jim Flynn. Will raise the bet to any amount. Fight must be on a basis of side bet and winner take all. Money will be transferred to you if fight is staged.'"

(Signed) "O. F. NELSON," Sporting Editor Pueblo Chieftain.

Mexican Pete Everett? The least said about his fighting record the better, but that \$500 bet and winner take all proposition should look mighty fine to Flynn. If Jim doesn't call that proposition immediately it will be because he is stricken dumb.

### BAN JOHNSON FAVORS SHORTER LEAGUE SEASON

Chicago, Nov. 3.—B. B. Johnson, president of the American league, favors a shorter season for the two major leagues. Johnson, who is lengthening the list of games, as proposed by Charles W. Murphy of the Chicago national league, executive said yesterday that he would favor a schedule of 140 games in the place of the 154 games series that was played last year.

President Johnson says that the short season would not work a hardship on the club owners, except perhaps those whose teams were "way up in the race."

### WILL BID FOR FIGHT.

Los Angeles, Cal., Nov. 3.—Tom Carey, head of the Pacific Athletic club, is preparing to go to New York and bid for the Jeffries-Johnson fight. Carey says he is prepared to offer \$75,000 for the battle.

If his offer is accepted when the bids are opened Dec. 1, the promoter will return and arrange to put the white and black champions on for forty-five rounds at Vernon.

### LATONIA RESULTS.

Cincinnati, Ohio, Nov. 3.—T. M. Green again demonstrated that he was a good horse by defeating a fair field of sprinters in the feature race to Latonia today. In the second race Boca Grande defeated a small but select field, making his third victory of the meeting. Attendance good. Two favorites won.

First race, seven furlongs—Dargis, 5 to 1, won; Gemmill, 3 to 5, second; Desconned, 8 to 1, third. Time, 1:25 4-5.

Second race, five and a half furlongs—Boca Grande, 7 to 20, won; Ethelinda, 5 to 1, second; Sir Ormond, 50 to 1, third. Time, 1:05 3-5.

Third race, six furlongs—T. M. Green, 2 to 1, won; Hains, 5 to 1, second; Sinfarin, 9 to 5, third. Time, 1:13.

Fourth race, one mile—Cereonius, 3 to 1, won; Hains, 5 to 1, second; Ida May, 3 to 1, third. Time, 1:39 4-5.

Fifth race, one mile—My Gal, 3 to 1, won; Antuma Rose, 12 to 1, second; Lady McNally, 20 to 1, third. Time, 1:40 4-5.

Sixth race, mile and a sixteenth—The Shaughran, 9 to 5, won; Kokomo, 12 to 1, second; Cull, 8 to 1, third. Time, 1:47 1-5.
